ORDER EXTENDING STATUTORY DEADLINE

Summary

This decision extends the statutory deadline in this proceeding to
October 15, 2025.

1. Background and Justification

Public Utilities Code (Pub. Util.) Code Section 1701.5(a) provides that the
Commission shall resolve the issues raised in the scoping memo of a ratesetting
proceeding within 18-months of the date the proceeding is initiated unless the
Commission makes a written determination that the deadline cannot be met and

issues an order extending the deadline. The current statutory deadline for resolving this proceeding is May 28, 2025.

Pacific Gas and Electric Company (PG&E) filed Application (A.)23-02-018 on February 28, 2023, requesting a compliance review for the record period January 1, 2022, through December 31, 2022. In its application, PG&E requests the Commission find that PG&E complied with its Commission-approved utility owned generation operations, portfolio allocation balancing account entries, energy resource recovery account entries, contract administration, economic dispatch of electric resources, utility owned generation fuel procurement and other activities for the record period of January 1, 2022, through December 31, 2022.

An extension of the statutory deadline to October 15, 2025, is necessary to give sufficient time for the administrative law judge to draft a decision that resolves all issues.

2. Waiver of Comment Period

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may waive the otherwise applicable 30-day period for public review and comment on a decision that extends the deadline for resolving ratesetting or quasi-legislative proceedings pursuant to Pub. Util. Code Section 1701.5. Under the circumstances of this Proceeding, it is appropriate to waive the 30-day period for public review and comment.

3. Assignment of Proceeding

John Reynolds is the assigned Commissioner and Minh LeQuang is the assigned Administrative Law Judge and presiding officer in this proceeding.

Findings of Fact

1. The current statutory deadline for resolving A.23-02-018 is May 28, 2025.
2. A.23-02-018 cannot be completed by May 28, 2025.
3. An extension of the statutory deadline to October 15, 2025, is necessary to allow adequate time to complete this Proceeding.

Conclusion of Law

1. Pursuant to the authority granted to the Commission under Pub. Util. Code Section 1701.5(a), the statutory deadline should be extended to October 15, 2025.

IT IS ORDERED that the statutory deadline for completion of this Proceeding is extended to October 15, 2025.

This order is effective today.

Dated May 15, 2025, at Kings Beach, California.
